Alone for dinner? Don't worry. We can help.

A how-to on quick, easy, single-serving recipes

By Danielle Perera

When I was single, I usually cooked enough food for at least two meals — dinner and night and leftovers the next. It was easier that way, and more economical. Also, I'm lazy, and getting more than one meal out of one day's cooking appealed to my slothful side. A dinner of corned beef turns into corned beef sandwiches the next day and corned beef hash for breakfast. But sometimes you just... Don't. *—* **Shirley Jefferson, Sacramento, you'd say you'd cook just one meal for just one person: you. And cereal doesn't count.**
