 XCELLENCE IN PHOTOGRAPHY

The image shows a screenshot of a financial data table. A circular callout highlights a section of the table containing the following data:

Income Statement		2017
REVENUES	\$2,000 MM	
PROFIT	\$450 MM	
EBITDA Margin(%)	95.1%	
Valuation Details		2017
Valuation	\$51,100 MM	

The background table has the following structure:

BUSINESS FINANCIALS AND KPIs			
Company	Revenue	Profit	EBITDA
Company A	\$2,000 MM	\$450 MM	\$850 MM
Company B	\$1,500 MM	\$300 MM	\$600 MM
Company C	\$1,000 MM	\$200 MM	\$400 MM
Company D	\$800 MM	\$150 MM	\$300 MM
Company E	\$600 MM	\$100 MM	\$200 MM

Below the table, there is a section for 'Valuation Details' with a table structure similar to the one in the callout.

# Alone for dinner? Don't worry. We can help.

A how-to on quick, easy, single-serving recipes

By [Charlie Noran](#)

**W**hen I was single, I usually cooked enough food for at least two meals — dinner and night and leftovers the next. It was easier that way, and more economical. Also, I'm lazy, and getting more than one meal out of one day's cooking appealed to my slothful side. A dinner of corned beef turns into corned beef sandwiches the next day and corned beef hash for breakfast. But sometimes you just, like it, beef. Well, hello, beefsteak. Sometimes, you really want to cook just one meal for just one person, you. And cereal doesn't count.
